

Our office is located at [3030 Ashby Ave, Berkeley](#). There is a narrow, red brick pathway that leads to the main entrance - it can be easy to miss, but the most obvious landmark is the Chevron gas station next door. There is parking on Domingo Street (metered near the shops and restaurants between Hazel and Russell streets and free in the residential area between Hazel and Plaza Dr.) The front door code is #7520 and the restroom code is 251. There is a waiting room to the left when you enter the building. Dr. Heron is in Suite 111a and Dr. Tarshis is in Suite 104.
